BOOKS BY HENRY D. LLOYD.

Wealth Against Commonwealth.

This book is already a classic. It is a complete his-
tory of the methods of the greatest trust in this coun-
try, telling how it has endeavored to wreck lives and
institutions, sparing not women or children and at-
tacking churches or cities regardless of any moral
law. If you want to understand an important phase
of our national development you must read Wealth
Against Commonwealth. The regular edition is sold
at \$2.50, but we can supply a popular, well-bound edi-
tion for \$1. post-paid.

Labor Co-Partnership.

This is Mr. Lloyd's latest book. It deals with the
co-operative movement in Great Britain, and tells in
his most interesting style of the new and successful
methods in co-operation which are arising in that
country. Cloth, post-paid, \$1.

Free Homes in Western Florida.

There are about 1,000,000 acres of govern-
ment land in northwest Florida, sub-
ject to homestead entry, and about half
as much again of railroad lands for sale
at very low rates. These lands are on
or near the line of the Louisville &
Nashville railroad, and Mr. R. J.
Wemyss, General Land Commissioner,
Pensacola, will be glad to write you all
about them. If you wish to go down
and look at them, the Louisville & Nash-
ville railroad provides the way and the
opportunity on the first and third Tues-
day of each month, with excursions at
only \$2 over one fare, for round-trip
tickets. Write Mr. C. P. Atmore, Gen-
eral Passenger Agent, Louisville, Ky.,
for particulars.

(First published September 14, 1898.)

Proposals for Supplies.

Sealed proposals will be received by the
Board of Directors of the Kansas State
penitentiary until 12 o'clock noon of Octo-
ber 5th, 1898, when bids will be opened, for
furnishing meats and flour for use of the
Kansas State penitentiary.

For schedules giving particulars and in-
formation as to making bids, address W.
T. Tipton, Clerk, Lansing, Kansas.

Satisfactory Clothing.

That is the only kind we allow in our store. It has to be satis-
factory in wearing qualities, in workmanship and style before it
comes in the department. That is the reason of our largely in-
creasing trade—one customer recommends another, and once a
customer always a customer at the New Model. You know we
have only one price, sell only for cash, and your money cheer-
fully refunded when required.

The Kansas City Stock Yards

Are the Finest Equipped, Most Modern in
Construction, and Afford the Best Facilities

for the handling of live stock of any in the world. THE KANSAS CITY MARKET, owing
to its central location, its immense railroad system and its financial resources, offers great
advantages than any other in the trans-Mississippi territory. It is

The Largest Stocker and Feeder Market in the World,

while its great packing house and export trade make it a reliable cash market for the sale of
cattle, hogs and sheep, where shippers are sure to receive the highest returns from their con-
signments.

What's the Matter with Kansas?

Kansas owns in round numbers, 900,000 horses and
mules, 550,000 milch cows, 1,600,000 other cattle, 2,400,000
swine and 225,000 sheep.

Its Farm Products this year include 150,000,000
bushels of corn, 60,000,000 bushels of wheat and millions
upon millions of dollars in value of other grains, fruits,
vegetables, etc.

In debts alone it has a shortage.
